

Acknowledgements

This manual has been put together building on the work that NZSEE and SESOC and the former Department of Building and Housing did prior to and in response to the Canterbury Earthquake sequence. This work was then updated as a consequence of the Canterbury Earthquakes Royal Commission recommendations.

Thanks go to:

Dave Brunsdon Consulting Engineer

Mike Stannard Chief Engineer MBIE

Bruce Galloway Consulting Engineer

John Hare Consulting Engineer

Richard Toner Building Manager Wellington City Council

Steve McCarthy formerly Building Manager Christchurch City Council

Graham Beattie BRANZ

Peter Woods MCDEM

Albrecht Stoecklein MBIE

Our colleagues in the USA have been generous with their resources and in particular
